

REMARKS

An error in the serial numbers of the applicant's co-pending applications was made in Paragraph 2 of the application. The serial number is now corrected.

The Examiner rejected all the claims under the judicially created doctrine of double patenting over patent publication 2004/0094160. However, this publication has now resulted in 6,837,238 for which the applicant has already submitted a terminal disclaimer. Therefore the double patenting objection should be withdrawn.

The Examiner rejected all the claims under the judicially created doctrine of double patenting over patent publication 2001/0042547 which is now patent 6,631,719.

A terminal disclaimer is attached for patent 6,631,719.

The Examiner rejected all the claims under the judicially created doctrine of double patenting over patent 6,595,207.

A terminal disclaimer is attached for patent 6,595,207.

The applicant has the following patents and patent applications which the Examiner may wish to review in relation to double patenting rejections:

Patents 6,450,166 and 6,675,796.

Patent application serial numbers 11/038,816 and 10/966,920.
